If the area covered is incomplete or inaccurate, it is your

responsibility to notify the center immediately to update and correct the locate. Failure to do so could result in a delay or an incomplete utility locate.

Utilities will usually only mark their lines up to their own meters. They do not mark privately owned lines beyond that point. For example, the water meter is usually near the sidewalk. The water company will only mark to that point, beyond the meter would require hiring a private locating service.
